Participation Guidelines and COVID 19 Waiver & Release of Liability

The novel corona virus, COVID-19, is an infectious disease that is extremely contagious and believed to spread mainly by person-to-person contact, including by individuals without symptoms. This disease has been declared a worldwide pandemic by the World Health Organization, and various activities have been curtailed or restricted across the country. As a result, federal, state, and local governments and health agencies recommend the following guidelines:

- Wash hands with soap and water often; especially after using the restroom, prior to and after handling food and/or drink
- Use alcohol-based hand sanitizers in the absence of wash facilities
- Refrain from touching face – eyes, nose, and mouth – with hands
- Cough into your elbow or a tissue – then throw the tissue away
- If you are not feeling well or are sick, stay home
- Keep at least 6 feet away from others to maintain social distance
- Those in the vulnerable age groups and/or with underlying medical conditions should protect themselves and not attend an event until the COVID-19 threat has passed.

In addition to the general guidelines, the Arizona Power League has established the following participation guidelines in connection with voluntary participation in sanctioned events, programs, and activities:

- Everyone is to bring their own towels, water bottles, water refills and keep their bags and personal items separate from any other participants' items.
- Each spectator and player should respect the distancing requirements set up by the event and not violate other's space.
- Spectators should always wear masks and distance themselves from unmasked participants.
- Participants should wear masks when not actively playing on the court – bench players, coaches, official, and ref crew.
- No handshakes, high fives, hand slaps, or any other intentional body to body contact.
- Groups of no more than 10 should gather at one team camp area.

Until COVID-19 is either eradicated, a vaccine is developed and readily available, or a cure is found, there is no way to completely eliminate the risk of infection and as such the Arizona Power League strongly encourages all participants to follow these recommendations as safety precautions. The information in this document is not intended or implied to be a substitute for professional medical advice, diagnosis, or treatment, nor does the Arizona Power League assume any liability or responsibility for the recommendations provided herein.

If an individual does not agree to comply with the guidelines for participation and/or does not accept the liability risk, then we ask that they not enter the event, program, or the facility. The Arizona Power League asks each person to understand the risk of contracting COVID-19 and take responsibility for their own personal health by following the guidelines and social distancing for the safety of themselves, their family, their teammates and all those participating in the program.

Participation in the scheduled events are strictly voluntary. No one is forced or required by anyone to participate. Participation in or attendance by anyone in the Arizona Power League events is strictly voluntary and AT YOUR OWN RISK. There is no participant accident or liability insurance coverage for infectious diseases.
